What is SS4A?

Safe Streets and Roads for All (SS4A)

- Discretionary competitive grant program established by the Bipartisan Infrastructure Law (BIL)
- \$5 billion in appropriated funds over 5 years (2022-2026)
- Dedicated funding for safety projects to prevent fatalities and severe injuries on roadways
- Grant Types
 - Action Plan
 - Supplemental Action Plan
 - Implementation Grant
- 20% Non-Federal Match is required

What is SS4A?

Why did MPO apply for an Action Plan?

- Broward does not have comprehensive safety plan that meets requirements for Implementation Grant
- Broward MPO has proven to effectively and efficiently administer competitive federal grants
- Broward MPO applied as lead with Broward County to maximize award of \$5 million
- Comprehensive Safety plan will be able to integrate various safety needs county wide
- Action Plan will allow Broward MPO, Broward County and municipalities to apply for federal implementation grants

SS4A Grant Priorities

- Demonstrate **engagement** with a variety of public and private stakeholders
- Promote **safety**
- Seek to adopt **innovative technologies and strategies**
- Employ **low-cost, high-impact** strategies that can improve safety over a wider geographic area
- Ensure equitable investment in the safety needs of **underserved communities**, which includes both underserved urban and rural communities
- Incorporate **evidence-based** projects and strategies
- **Align with the Department's mission** and with priorities such as equity, climate and sustainability, quality job creation, and economic strength and global competitiveness.

The way to get started is to quit talking and begin doing.
