Strengthening Mobility and Revolutionizing Transportation

Awarded \$2M in SMART grant funding to develop the SMART METRO, an innovative transportation modeling platform that will use Artificial Intelligence technology to create a regional digital twin that integrates data and models for effective transportation solutions.

Next Steps: The BMPO is working with USDOT on the project's Data Management and Evaluation Plans.

Current Status: The SMART Grant Agreement has been executed, and the SMART METRO digital twin is in progress. The prototype technology of the SMART METRO digital twin is currently in development.

Railroad Crossing Elimination Program

U.S. Department of Transportation
Federal Railroad Administration

Awarded \$15,440,000 in RCE grant funding to support final design and construction activities for the Broward County Sealed Corridor Project. The project will include safety enhancements, such as exit gates and medians, at 21 grade crossings along Florida East Coast Railway's rail line, a freight rail corridor shared with Brightline's intercity passenger rail service.

Next Steps: Brightline is progressing with the procurement process for the Final Design for the project.

Current Status: The FRA is currently reviewing the final draft of the RCEP Grant Agreement. The Roadway Owners (6 Cities and Broward County) are creating new and modifying existing Crossing Agreements with FEC to include project.

Reconnecting Communities

Planning grant to determine feasibility of linking roads below grade along the FEC railroad corridor. Project is Fort Lauderdale Roadway-Railroad Underpass Feasibility Study.

\$1.5M ask with Fort Lauderdale committing \$375K in local match

Next Steps:

Current Status: MPO Board approved consultant.

MPO Contact: Christopher Restrepo, Senior Planner restrepoc@browardmpo.org

Prioritization Process Pilot Program (PPPP)

The purpose of PPPP is to support data-driven approaches to planning that, upon completion, can be evaluated for public benefit. The program provides funding to develop and implement a publicly accessible, transparent prioritization process for the ranking and selection of projects for inclusion in short-range and long-range transportation plans.

Next Steps: Waiting on FHWA division point of contact for kickoff.

Current Status: Won. Met with internal team to discuss the schedule and budget. Working on drafting the scope of work.

MPO Contact: Kerrie MacNeil, Senior Planner macneilk@browardmpo.org

Safe Streets and Roads for All (SS4A)

Planning and Demonstration Grants provide Federal funds to develop, complete, or supplement a comprehensive safety action plan. They also fund supplemental planning and/or demonstration activities that inform the development of a new or existing Action Plan.

Current Status: Broward County with the Broward MPO plans on applying for the SS4A Implementation Grant. Application deadline June 26, 2025.
