

Safety Program

The Safety Program supports safety improvements, such as traffic calming and intersection improvements, identified through a county-wide safety analysis to reduce traffic-related injuries and fatalities. The program is separated into state and non-state projects.

Phase	<2026	2026	2027	2028	2029	2030	Amount Funded	Funding Needed	
01 2025-	Pedestrian Connectivity at FEC Crossings - FM# 4573741 Type of Work: Sidewalk						Funding Source: Federal and Local Yes Yes Yes Yes
