

CALL FOR PLANS & STUDIES

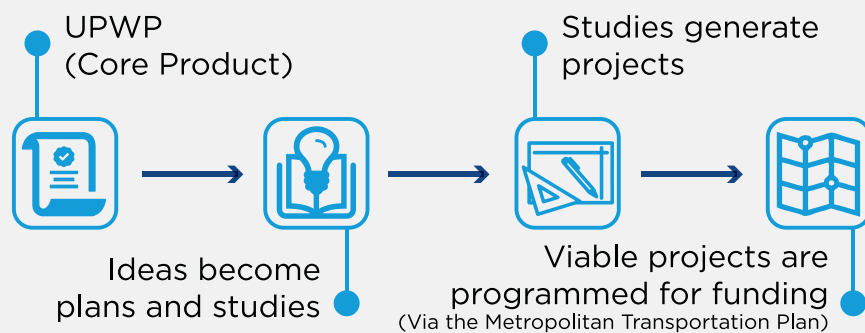

Unified Planning Work Program (UPWP)

How does transportation improve?

It starts with a plan!

The Broward Metropolitan Planning Organization (MPO) is seeking input for the Unified Planning Work Program (UPWP). Every two years, the MPO updates the UPWP/budget which sets the framework for transportation plans and studies.

What are your ideas? Your contributions could potentially be addressed in future transportation planning studies. **Now is the time to tell us! Please submit your ideas by Friday, February 6, 2026.**

Ways to submit:

Mail: 100 West Cypress Creek Road, Suite 650, Fort Lauderdale, FL 33309
