CALL FOR PLANS & STUDIES
Unified Planning Work Program (UPWP)

How does transportation improve?

It starts with a plan!
The Broward Metropolitan Planning Organization (MPO) is seeking input for the Unified Planning Work Program (UPWP). Every two years, the MPO updates the UPWP/budget which sets the framework for transportation plans and studies.

Partner Agency Planning Efforts

- MPO is required to include partner planning efforts in Appendix E of the UPWP
- [23 Code of Federal Regulations 420.111\(e\)](#) provides specifics
- These efforts cannot be funded or performed by the MPO
- Details should include the following:
 - Name of the planning effort and a short description of work to be accomplished
 - The cost, or the approximate cost
 - The source(s) of funding used
 - The name of the lead agency
