

Public Participation Plan (PPP) Update 2026

Our Promise to the Community

Through this plan, the BMPO confirms its commitment to involve Broward County residents at every step of the transportation planning process. We want planning to be technically sound and grounded in the community's needs and priorities.

What is the Public Participation Plan (PPP)?

- The PPP is an MPO Core product updated every five (5) years.
- Updates require a 45-day comments period.
- Comments received were incorporated into the plan and/or a response was sent to the commentor

PPP Overview

When Participation Happens

The PPP includes a schedule of public involvement for our core products: the Metropolitan Transportation Plan (MTP), the Transportation Improvement Program (TIP), the Unified Planning Work Program (UPWP), and the Public Participation Plan (PPP).

How Your Feedback Is Used

We track public comments, summarize input, and document how feedback influences final decisions.

Our Promise to the Community

Through this plan, the BMPO confirms its commitment to involve Broward County residents at every step of the transportation planning process. We want planning to be technically sound and grounded in the community's needs and priorities.
