INTRODUCTION:

1. NEGOTIATED CONTRACT. The Products are subject solely to the terms in the Negotiated Contract identified on the face of this Agreement, and, for any option you have selected that is not addressed in the Negotiated Contract, the then-current standard Xerox terms for such option.

2. MODIFICATION OF PRIOR AGREEMENT. This Agreement modifies a prior agreement between you and Xerox for the Products identified as "Modifies Prior Agreement". The prior agreement will remain in effect except that any terms in this Agreement that conflict with or are additive to the prior agreement will control. You may be charged a one-time administrative/processing fee for the modification of a prior agreement.

PRICING PLAN/OFFERING SELECTED:

3. FIXED PRICING. If "Pricing Fixed for Term" is identified in Maintenance Plan Features, the maintenance component of the Minimum Payment and Print Charges will not increase during the initial Term of this Agreement.

GENERAL TERMS & CONDITIONS:

4. REMOTE SERVICES. Certain models of Equipment are supported and serviced using product information that is automatically collected by Xerox or transmitted to or from Xerox by the Equipment connected to your network ("Remote Product Info") via electronic transmission to a secure off-site location ("Remote Transmission"). Remote Transmission also enables Xerox to transmit Releases of Software to you and to remotely diagnose and modify Equipment to repair and correct malfunctions. Examples of Remote Product Info include product registration, meter read, supply level, Equipment configuration and settings, software version, and problem/fault code information. Remote Product Info may be used by Xerox for billing, report generation,

supplies replenishment, support services, recommending additional products and services, and product improvement/development purposes. Remote Product Info will be transmitted to and from you in a secure manner mutually agreeable to the parties. Remote Transmission will not allow Xerox to read, view or download the content of any of your documents or other information residing on or passing through the Equipment or your information management systems. You grant the right to Xerox, without charge, to conduct Remote Transmission for the purposes described above. Upon Xerox's request, you will (a) provide contact information for Equipment such as name and address of your contact and IP and physical addresses/locations of Equipment and (b) ensure that any Maintenance Release or Update released by Xerox to provide security patches, releases and/or certificates for the Remote Transmission and/or Software is promptly enabled by Customer upon notification by Xerox or by the Equipment or when otherwise made available on xerox.com. You will enable Remote Transmission via a method mutually agreeable to both parties, and you will provide reasonable assistance to allow Xerox to provide Remote Transmission. Unless Xerox deems Equipment incapable of Remote Transmission, you will ensure that Remote Transmission is maintained at all times Maintenance Services are being performed. If you are unable to maintain Remote Transmission, or if Xerox disables Remote Transmission from any Equipment at your request, or if you disable Remote Transmission from any Equipment, Xerox reserves the right to charge you a per device fee for such affected Equipment due to the increased service visits that will be required in order to (x) obtain such information, (y) provide such transmissions, and (z) provide such Maintenance Services and Consumable Supplies that otherwise would have been provided remotely and/or proactively.
