PROPERTY COMPLIANCE PERIOD

Participating organizations (referred to as “donees”) are required to use the property obtained through the program for a specific amount of time before the property can be sold, transferred or otherwise disposed of. The compliance period is often determined by the “original acquisition cost” of the item. The “original acquisition cost” is defined as the amount the federal government paid when it was initially purchased.

- Property must be used for the program(s) approved for participation in the Federal Surplus Property program.
- All property must be placed into use within one year of the invoice date.
- Property is considered “in use” as soon as it is ready and able to serve its intended purpose.
- The compliance period varies according to item and donee type but is **at least 12 months** from date put into use.
 - For property valued at less than \$5,000 in original acquisition cost, the compliance period is 12 months from the date put into use.
 - For property valued at \$5,000 or more in original acquisition cost and all passenger motor vehicles, the compliance period is 18 months from the date put into use. *Not applicable to Service Educational Activities.*
- TFC staff performs scheduled and unscheduled onsite property compliance visits to ensure the property is being used as represented. The donee agrees to make the property available for visual inspection by TFC staff in a timely manner.
- If the property is not paid for in full or is not being used or handled as required, the donee will be required, at its expense, to return the property to TFC or offer for transfer to another donee, as instructed by TFC.
- Property must be used and stored at the street address listed on page 2 of this application, or at other appropriate donee-managed satellite locations in Texas (for example, county precinct barns, district fire stations, school campuses, maintenance/transportation warehouse). Property may not be removed indefinitely from an approved location, or from the State of Texas, without prior, written approval from TFC.
- Property may not be stored at a personal residence, unrelated business or storage facility, or any other location that is not managed by the donee organization. Property is not for personal use; it must be readily accessible to all donee staff.
- Donees are required to complete reports regarding property use as a condition of participating in the program.
- **During the compliance period, the donee may not sell, trade, lease, lend, bail, cannibalize, encumber, or otherwise dispose of such property, or remove it permanently, for use outside the State, without the prior, written approval of TFC and/or GSA. SBA approval may also be required for small businesses.**
- **If property is sold, transferred, or otherwise disposed of during the compliance period, the donee may be subject to penalties and fines, as well as possible state or federal prosecution.**

IMPORTANT NOTE FOR SBA 8(a) APPLICANTS: If applying as an SBA 8(a) business, I understand that the property compliance terms identified above do not apply to my business and that as an SBA 8(a) business I must follow SBA property compliance guidelines. Additionally, I understand that I may not have access to certain items – including aircraft or property with an original acquisition cost of \$5,000 or more – if my business is due to graduate from the SBA 8(a) program with insufficient time to cover the entire federally required compliance period for that item.

IMPORTANT NOTE FOR VETERAN OWNED SMALL BUSINESS APPLICANTS: If applying as a veteran-owned small business, I certify that the small business is unconditionally owned and controlled by one or more eligible veterans, service-disabled veterans, or surviving spouses; and the business has registered, and is in “certified” status in the SBA’s VetCert program database under the procedures found in 13 CFR § 128.

IMPORTANT NOTE REGARDING SIGNATURES: Unauthenticated digital signatures, signature stamps or signature images will not be accepted. A physical signature is preferred. If a physical signature cannot be obtained, we can also accept digital signatures authenticated by a third party such as Docu-Sign or Adobe Acrobat.

I certify that the information provided on this application is accurate and up to date to the best of my knowledge. I understand and agree to the terms and conditions listed on pages 2-6 of the “Application for Eligibility” including terms regarding nondiscrimination, property compliance & reporting, and the Certifications & Agreements.
