

## **Vanishing Texas River Cruises Honored for Bald Eagle Conservation Efforts**

On June 14, 2025, the Major James Kerr Chapter of the National Society Daughters of the American Revolution (NSDAR) in Kerrville, Texas, awarded Vanishing Texas River Cruises (VTRC) the prestigious NSDAR Conservation Medal. The honor recognizes VTRC's exceptional contributions to environmental education and conservation, with a special focus on the protection of the American Bald Eagle.

Headquartered in Burnet, Texas, VTRC operates ecological and scenic boat tours on Lake Buchanan, which spans Burnet and Llano Counties. The lake is home to more than 200 bird species year-round, including Herons, Osprey, Crested Caracara, Pelicans, Red-tailed Hawks, Horned Owls, and the wintering American Bald Eagle.

VTRC's tours offer the public a chance to observe these birds in their natural habitat. The organization also partners with Last Chance Forever, a Bird of Prey Conservancy based in San Antonio, to release rehabilitated Eagles back into the wild and raise funds for raptor conservation efforts.

In recognition of these contributions, the Burnet County Commissioners Court will also present an official service commendation to VTRC. The award will be given to Michelle Devaney on behalf of the organization during a presentation scheduled for June 24, 2025.

---

### **About the Daughters of the American Revolution (DAR)**

The Daughters of the American Revolution is one of the largest and most active women's service organizations in the world, with 190,000 members in 3,000 chapters across the United States and internationally. Membership is open to any woman 18 years or older—regardless of race, religion, or ethnic background—who can prove lineal descent from a patriot of the American Revolution.

DAR members promote historic preservation, education, and patriotism through commemorative events, scholarships, citizenship programs, community service, support for veterans, and more.

For more information or to inquire about membership, please contact:
