RE: Petition for the Creation of Burnet County Emergency Services District No. 10

Dear Judge Wilson:

I am the attorney for Burnet County Emergency Services District No. 8, a political subdivision of the State of Texas ("District"). Attached you will find a Petition for the creation of the proposed Burnet County Emergency Services District No. 10 ("ESD 10") from the citizens of the District. It is our understanding that ESD 10 would be the next consecutive number for this proposed emergency services district.

The proposed ESD 10 will only provide emergency ambulance services, and the District will continue to provide the emergency services it provides as set forth in the Petition creating the District, specifically Fire, Rescue, and First Responder Services.

ESD 10 will overlap and have the same territorial limits of the District, and will comply with Section 775.0205 of the Texas Health & Safety Code ("Code"). The Petitioners request that the County deliver a copy of this Petition to the Board of Emergency Services Commissioners of Burnet County Emergency Services District No. 8 in accordance with Section 775.018(f) of the Code. I have attached a sample letter for you to use for this purpose.

Per Section 775.015 of the Code, I request that you file the petition with the Burnet County Clerk and set a date for a public hearing to consider the Petition at the next regular or special meeting of the commissioners court.

If you have any questions, please do not hesitate to call.

RE: Petition for the Creation of Burnet County Emergency Services District No. 10

Dear President Shamard:

The Burnet County Commissioners Court has received a petition to create an emergency services district, to be called Burnet County Emergency Services District No. 10. This proposed district, if approved, will provide emergency ambulance services and the boundaries of the proposed district are coextensive with the boundaries of Burnet County Emergency Services District No. 8.

Section 775.018(f), Texas Health & Safety Code, requires the County to send a copy of the petition for the creation of the proposed district to the board of any currently-existing emergency services district that has territory that will overlap with the proposed district. That petition is attached to this letter.

Further, Section 775.018(g) requires your board to adopt a statement that specifies the types of emergency services your district will provide or continue to provide in the overlapping territory if the proposed district is created. This statement is due on or before the election date for the proposed district, which will be November 4, 2025. The County requests that you adopt a statement no later than September 30, 2025 to ensure that corrections can be made to the statement, if necessary.

Please call if you have questions.

PETITION FOR THE CREATION OF OVERLAY BURNET EMERGENCY SERVICES DISTRICT NO. 10

Pursuant to Texas Health and Safety Code, Chapter 775, the undersigned petitioners hereby petition for the creation of an emergency services district whose territorial boundaries would be those as further described in Exhibit A, attached hereto and incorporated herein for all purposes. The proposed Burnet Emergency Services District No. 10 is to be created and is to operate under Article III, Section 48-e, Texas Constitution, and Chapter 775, Texas Health & Safety Code, and will provide only emergency ambulance services as set forth in Article III, Section 48-e, Texas Constitution and Chapter 775, Texas Health & Safety Code. The creation of the proposed Burnet Emergency Services District No. 10 complies with Sections 775.020 and 775.0205, Health and Safety Code. The proposed district will be the same as the territorial limits of Burnet County Emergency Services District No. 8, and will not provide duplicative services as provided by Burnet County Emergency Services District No. 8.

There are no municipalities from which consent must be obtained under Section 775.014

The undersigned two petitioners obligate themselves to pay not more than \$150.00 of the costs incident to the formation of the proposed district, including the costs of publishing notices, election costs, and other necessary and incidental expenses.
