Shelly asked someone in the Auditor's office about having some shredding done. The Auditor's office gave her the name & number of the service, told her to just call Condor and they would come. Never mentioned issuing a purchase order.

H.R. does very little purchasing, regardless we will certainly remember to obtain a PO in the future. Honest mistake.

Hi, Shirley!

Judge Wilson would like an explanation of why you did not get a PO for \$132.00 for the shredding service from Condor. Will you please respond with a brief explanation and I will print it & put it with the invoice. Thanks a lot! Cindy
