RE: Federal Highway Administration
Emergency Relief Funding
July 4th Flood Event

Dear Judge Wilson:

Governor Greg Abbott issued an Emergency Disaster Declaration on July 4, 2025, and amended the Emergency Disaster Declaration on July 5, 2025, due to the recent heavy Rainfall and flash flooding occurring around the State, and the county you reside in is included in the declaration. In response, the Texas Department of Transportation is eligible to seek Emergency Relief Funding from the Federal Highway Administration (FHWA) on eligible FHWA Roadways within Burnet County.

TxDOT will act as the coordinator and liaison between FHWA and the local government to provide guidance to the FHWA Local Public Assistance Program. FHWA will reimburse for disaster-related expenditures on FHWA eligible roadways within a local government's jurisdiction meeting reimbursement criteria. The roadway must have a classification of an Interstate, Principal Arterial, Freeways/Expressways, Minor Arterial, or Major Collector. The local road classification can be verified using the Statewide Planning Map located on in the [Government - Emergency Relief](#) informational site.

Please contact Joseph Muck, PE, Area Engineer at (512) 715-5701 or at joseph.muck@txdot.gov for additional information or questions concerning the FHWA ER Program.

Sincerely,
