Good afternoon James,

The County has three county roads (CR 111, 113, & 120) that need some concrete slope paving & drainage work done. I am not the best person to speak with on all the details for a good quote. If you call Glenn at 512-715-4313, he can provide further information.

Thank you,

Good morning James,

Just following up to see if you had a chance to speak with Glenn and get a quote put together for us?

Thank you,

Good morning James,

Don't mean to be a bother but just following up to see if you were able to get what you needed for a quote?

Thank you,
