a. When included in the scope of Services, construction observation and administration will be done, to the extent set forth in the Proposal, so that LEVY DYKEMA can become generally familiar with, and keep Client generally informed about, the progress of the construction falling under the Scope of Services and determine generally whether the construction is being performed in a manner indicating that the Project, when fully completed, will be in accordance with Construction Documents within LEVY DYKEMA's Services. Regardless of its Scope of Services, LEVY DYKEMA: (i) shall not supervise, direct, or have control over or responsibility for the performance, acts or omissions, safety precautions, or activities, of any contractor, subcontractor, or any other person or entity performing work or providing services or materials for the Project; (ii) shall not make continuous or exhaustive inspections of the quality or quantity of the work performed by the contractor, as would a third-party inspection service; and (c) assumes no responsibility for actually locating defects, errors, or omissions in construction, or deviations from the Construction Documents, which it does not observe in its periodic visits.

Changes in design of Client's Project necessary to adjust the cost of the Project will be performed by LEVY DYKEMA as Additional Services and invoiced as same.

Such claims and causes include, but are not limited to, LEVY DYKEMA's negligence, errors, omissions, strict liability, breach of contract or breach of warranty. DYKEMA is retained only to perform Services for some but not all of the standard architectural design scope of services, for example, only Construction Documents without construction administration, this may significantly increase the risk of loss resulting from such things as misinterpretation of the intent of the design, unauthorized modifications, and misuse of the IOS, for which LEVY DYKEMA is not liable. Notwithstanding anything in this Agreement to the contrary, Client agrees that as its sole and exclusive remedy, any claim, demand, or suit shall be directed and/or asserted only against LEVY DYKEMA, a Texas professional limited liability company, and not against any of its owners, officers, directors, members, managers, principals, employees, agents, or representatives, who shall have no personal liability to Client

TO THE FULLEST EXTENT PERMITTED BY LAW, CLIENT SHALL INDEMNIFY AND HOLD HARMLESS THE LEVY DYKEMA PARTIES FROM AND AGAINST ALL DAMAGES, LIABILITIES AND COSTS, INCLUDING REASONABLE ATTORNEY'S FEES AND DEFENSE COSTS, ARISING OUT OF OR IN ANY WAY CONNECTED WITH A CLAIM BY A THIRD PARTY AGAINST A LEVY DYKEMA PARTY RELATED TO THIS AGREEMENT OR THE PROJECT, CAUSED BY CLIENT, ITS REPRESENTATIVES, AND/OR ALL THOSE FOR WHOM IT MAY BE LIABLE ("CLIENT PARTY"), EXCEPTING ONLY THOSE DAMAGES, LIABILITIES OR COSTS ATTRIBUTABLE TO THE ACT OR OMISSION OF A LEVY DYKEMA PARTY. Client shall not enter a consent judgment, award, or settlement agreement for other than the payment of money by a Client without the applicable LEVY DYKEMA Party's written consent.

14. Termination or Suspension of Services

a. Unless earlier terminated, this Agreement expires upon the completion of LEVY DYKEMA's Services. This Agreement may be terminated upon written notice by either party for convenience, or for cause, should the other fail to perform its obligations hereunder and fail to cure said breach within ten (10)

days of receiving written notice of the breach from the non-breaching party. In addition, LEVY DYKEMA may terminate this Agreement immediately for cause without the opportunity for Client to cure based on: Client's bankruptcy or potential financial insolvency; Client's change in ownership, of any nature, or the sale, transfer, or other disposition of the Project or Project site/real property on which the Project is located to another; conduct by Client which may be illegal or contrary to law, mandate, or other legal order, or which LEVY DYKEMA deems unprofessional toward its staff or others; and/or Client's failure to execute this Agreement or deliver any required retainer. In the event of any termination, Client shall pay LEVY DYKEMA for all Services rendered to the date of termination, and all Reimbursable Expenses and any justifiable reimbursable termination expenses, such as any non-refundable consultant retainers, governmental fees, etc., and continued license to use the IOS is conditioned on such payment plus any required licensing fee.

b. Client may suspend the performance of any or all Services, upon written notice to LEVY DYKEMA, specifying the Service(s) to be suspended. Without liability to Client, LEVY DYKEMA may suspend performance of the Services and its obligations under this Agreement on the same grounds, with the same associated notice obligation, for which it may terminate for cause. If the Project is suspended for one hundred eighty (180) days or more, LEVY DYKEMA shall be entitled to treat this Agreement as being terminated with immediate effect. LEVY DYKEMA shall not be obligated to restart its Services until it is paid for all Services rendered and Reimbursable Expenses and other associated expenses incurred prior to the effective date of suspension. LEVY DYKEMA shall be entitled to an increase in the time for performance in accordance with its other commitments at that time, and additional compensation as appropriate given the nature of the suspension.

15. Assignment

Assignment of this Agreement requires the written consent of both parties and Client shall remain liable for Fees, Reimbursable Expenses and other amounts incurred prior to the authorized date of assignment. If Client assigns this Agreement to any successor owner of the Project, or the Project is leased, transferred, or otherwise disposed of in whole or in part to another person or entity, the successor in interest must be given prior written notice by Client of LEVY DYKEMA's absolute right to terminate this Agreement. Assignment or other transfer not in accordance with this section is void and without effect. ***In the event of breach of this clause, Client shall fully indemnify LEVY DYKEMA against all claim(s) by any persons arising from or relating in any way to the assignment, this Agreement, and LEVY DYKEMA's work on the Project, whether such claim is in tort or otherwise.***

16. Dispute Resolution

Any claims or disputes that arise between Client and LEVY DYKEMA first shall be submitted to non-binding mediation before any other form of dispute resolution, and any other process started prior to the parties' participation in mediation shall be stayed pending the parties' participation in mediation. Client and LEVY DYKEMA agree to include a similar mediation agreement with all contractors, subcontractors, subconsultants, suppliers, and fabricators, thereby providing for mediation as the primary method for dispute resolution between all parties. Notwithstanding, LEVY DYKEMA may proceed with such filings and other actions as are required to secure its right to payment prior to participation in mediation. The statute of limitations for any claim stemming from this Agreement, the Project, the real property on which

the Project is located, or the Services shall be two years from the date the associated cause of action accrues.

17. Condominium Terms

LEVY DYKEMA has based its fee and evaluated its risk based on one contract with a single Client. If this Project is intended as or later converted to a condominium use, the parties recognize that Client receives financial rewards as developer while LEVY DYKEMA increases its potential risk of liability to multiple, unknown future owners, which risk cannot reasonably be incorporated into LEVY DYKEMA's fee. Therefore, in recognition of the nature and risk disparity of condominium projects and in exchange for specific and adequate consideration, the parties agree as follows for the Project as a condominium:

a. Client shall confirm that the contractor and subcontractors selected have demonstrated experience in the construction of condominium projects, have established quality control programs, and have commercial general liability insurance coverage which does not contain exclusions for residential construction, condominiums, specific finishes, or mold-related claims.

b. Client understands the necessity of and shall engage a building envelope/waterproofing consultant for design and construction observation on the Project.

c. Client shall require each prospective unit owner to inspect its unit for defects prior to purchase and Client will correct any such defects and have the unit owner sign a certificate of acceptance or such other document evidencing this.

d. If Client becomes aware of any issue, defect, error, or omission that may give rise to a potential claim or dispute by Client, the condominium's Property Owner's Association ("POA"), or a unit owner (person/entity holding legal title to a unit), Client will provide LEVY DYKEMA with prompt written notice of the potential for such claim or dispute of not less than 48 hours.
