Good Afternoon Judge Wilson,

I hope this email finds you well. I am writing to inform you that the Capitol Area Trauma Regional Advisory Council (CATRAC) will be sending out a nomination form for the Burnet/Williamson County position on this board.

I have been serving in this capacity for the past year at the request of the board's President, Ben Oakley, the Chief of EMS in Blanco County. I am eager to continue advocating for the citizens of Burnet and Williamson counties.

CATRAC is seeking a professional, prehospital, clinical lead provider for this position and I am confident that I am both qualified and comfortable for the role.

I have been employed by Marble Falls Area EMS for 11 years and have served as the Operations Director for the past four years. I am well-acquainted with Burnet County and its surrounding communities, as I reside in Georgetown. This familiarity will allow me to advocate for not only my workplace but also my place of residence.

Thank you for your consideration. Please let me know if you have any questions or concerns.

Thanks,
Starla
