LCRA – HLWO Comment
Mail Stop L106
P.O. Box 220
Austin, TX 78767

To Whom it May Concern,

The Burnet County Commissioners Court appreciates the hard work performed by the Lower Colorado River Authority protecting the local waterways and natural resources. The people of Burnet County value our beautiful Texas Hill Country lakes, caves, parks, and wildflowers among other resources. As such, we join with the people of Burnet County and request a public hearing regarding the application by Asphalt Inc. for a permit under the Highland Lakes Watershed Ordinance for an aggregate processing plant and quarry near Inks Lake.

A public hearing is both necessary and appropriate as it would allow local residents and citizens to learn more about the requirements to obtain such a permit, the intention of the corporation, and to share their views with the Agency. Burnet County residents have filed comments and objections to the proposed plant, and as such should be heard by LCRA prior to approval of the requested permit.

We appreciate your consideration of our request, and ask that public hearing be scheduled in Burnet County, with reasonable notice to affected residents and stakeholders. Please do not hesitate to reach out if you have any questions.

Jim Luther, Comm. Pct. #1

Damon Beierle, Comm. Pct. #2

Chad Collier, Comm. Pct. #3

Joe Don Dockery, Comm. Pct. #4
