Dear Mr. Bell:

I am writing to express my support for Burnet County's efforts to secure grant funding for the rehabilitation of our historic courthouse. As a prominent and valued centerpiece of our community, the courthouse plays a vital role in preserving our shared heritage, and these necessary repairs are critical to its continued integrity.

In my role as a member of the Burnet County Commissioners Court, I am entrusted with supporting the appointment of Historical Commission members, preserving the courthouse, and pursuing grant opportunities that aid in its maintenance. Burnet County remains fully committed to protecting our historic landmarks, including the courthouse, which now requires critical repairs.

Financial assistance through the courthouse preservation program is essential to addressing these needs. With your support, we can ensure that this historic structure continues to serve and inspire our community for generations to come.

Thank you for your consideration and for your continued dedication to preserving Texas' rich historic heritage.

Sincerely

Bryan Wilson
