1. This Vested Networks Plan Purchase Agreement (this "Agreement") is a binding agreement between Vested Networks, a Texas corporation, and the Customer, for the purchase of Vested Networks VOIP Service Plan during the Initial or then-current Renewal Term, as applicable (defined below). Vested Networks and Customer are each herein referred to as a "Party" and collectively as the "Parties."

2. Your VOIP Services require a minimum service commitment period beginning on the Start Date and continuing for the number of months listed as the Initial Term indicated above. You hereby acknowledge and agree that You are purchasing the VOIP Service Plan for at least the full initial Term and any subsequent Renewal Terms, as applicable (collectively, the "Term").

3. This Agreement shall automatically renew for successive Renewal Terms as indicated above unless either Party delivers written notice of termination of this Agreement to the other Party at least thirty (30) days prior to the applicable termination date (with such termination date being the last day of the Initial or then-current Renewal Term), in which case the Agreement and all underlying Plan Services shall terminate on the last day of such Initial or Renewal Term. Vested Networks will personally notify by email and phone call as the end of the term approaches: 60 days, 30 days, and 15 days, as well as in person visits to ensure You are aware of your approaching end of Term.

4. Upon written, phone call, and in person notice provided to you at least 60 days prior to the end of the Initial or then-current Renewal Term, Vested Networks may revise the price for your VOIP services the immediately succeeding Renewal Term. Vested Networks may revise any of the following fees charged to You to the then-current fees generally charged to Vested Networks' customers in the United States, including but not limited to the Compliance and Administrative Cost Recovery Fee, the E911 Fee, and any taxes, surcharges or assessments; any fees or amounts that are mandatory for Vested Networks or Customer; or any fees or amounts related to governmental, official, or legal/regulatory matters (including without limitation any fees or amounts related to or charged in relation to Vested Networks' contribution to the federal Universal Service Fund or any similar state fund, tax, contribution, or fee).

5. You hereby agree to pay for the VOIP Plan Services, and, if applicable, phones and equipment, in advance on the Payment Schedule and at the rates set forth above under "Summary of Service," as may be revised from time to time in accordance with this Agreement. The prices indicated above do not include taxes, fees or additional services You may select, which include but are not limited to, additional digital lines, additional users, international or toll-free usage, virtual or mobile extensions, additional local numbers, and additional toll-free numbers. Sales tax varies by jurisdiction of purchase and may be calculated based on full retail price or Vested Networks cost price, as determined by the tax law in the jurisdiction of purchase.

6. This Section applies to Your VOIP Plan, including without limitation any products or services You have purchased under Section 1 above (as may be amended in accordance with this Agreement). Customer may, at any time, purchase additional digital lines or additional users; however, those additional digital lines and/or additional users may not be removed from Customer's account except upon the conclusion of the Initial Term or then-current Renewal Term.

7. If You were not a Vested Networks customer before execution of this Agreement, you may terminate this Agreement with written notice to Vested Networks, at any time prior to one(1) business day before your numbers port, or your installation occurs (whichever is first), and you will be released from this agreement. Except as set forth in this Agreement, if you terminate this Agreement on or after the above day but before expiration of the Initial, or then-current Renewal Term, You will owe Vested Networks all outstanding contractual amounts due for the Services being terminated for the remainder of the Term, and hereby agree to pay all such amounts and authorize Vested Networks to charge Your credit card or invoice You, as applicable, for all such amounts. The collection of such fees is not a penalty, but rather a charge to compensate Vested Networks for Your failure to satisfy the Term, on which Your rate plan is based. Should You remain a Vested Networks customer for more than 2 years, the charge for the remainder of the term will be half of the monthly recurring charge for each month in the remainder of the term.

8. This Section 8 applies to Your VOIP Plan including without limitation products or services You have purchased under Section 1 above (as may be amended in accordance with this Agreement). If Vested Networks reasonably suspects misuse of the Plan Services, fraud, potentially illegal or otherwise harmful transmissions, any use of the Plan Services that threaten the Vested Networks network or the provision of Plan Services, or that otherwise violates the TOS or this Agreement, Vested Networks may suspend the affected Plan Services without notice.

Vested Networks shall provide notice of any such suspension to You as soon as reasonably practicable.

Without limiting any termination rights and other remedies that Vested Networks may be entitled to, Vested Networks will resume the Plan Services as soon as reasonably practicable after Vested Networks considers that the breach has been cured or the threat has been mitigated. Either Party may terminate this Agreement with thirty (30) days' advance written notice to the other party in the event of any material breach of this Agreement by that other party, including breach of the Vested Networks Terms of Service, and failure to cure such material breach during such thirty (30) day notice period. Termination for Customer's material breach shall not relieve You of Your commitment to pay for the Plan Services for the remainder of the Initial Term or then-current Renewal Term. If terminate this Agreement for Vested Networks' material breach, Vested Networks shall provide You with a pro-rata refund of all prepaid and unused fees, and You shall be relieved of any liability for any contractual amounts due for the Initial or then-current Renewal Term subsequent to the effective date of the termination. Either Party may terminate this Agreement with thirty (30) days' advance written notice to the other Party in the event that (i) the other Party files a petition for bankruptcy or if a petition for bankruptcy is filed against such Party and such petition is not dismissed within thirty (30) days after the effective filing date thereof, or (ii) a trustee or receiver is appointed over any of Customer's or Vested Networks' relevant property. In the event that Vested Networks terminates this Agreement pursuant to and in accordance with the immediately preceding sentence, You shall not be liable for any outstanding contractual Plan Services amounts due for the Initial or then-current Renewal Term, subsequent to the effective date of the termination.

9. This Agreement, any addenda or exhibits thereto, along with the Vested Networks Terms of Service (the "TOS"), available at <http://www.vestednetworks.com/terms-of-service/>, represents the entire Agreement regarding the Plan Services and supersedes all prior or contemporaneous negotiations, correspondence, writings or Agreements regarding the Plan Services. Each person whose signature appears on this Agreement represents and warrants that he or she possesses the legal right, capacity, and ability, and has full power and authority, to execute and deliver this Agreement on behalf of the Party he or she purports to represent. The Customer represents and warrants that all corporate action necessary for the authorization, execution, and delivery of this Agreement, and to perform all of the obligations hereunder, has been taken. This Agreement is the binding obligation of the Customer, enforceable against the Customer in accordance with its terms. This Agreement will bind the successors, and assigns of both Customer and Vested Networks, and inure to the benefit of Customer and Vested Networks and their successors and assigns. This Agreement may not be modified or amended except in a written amendment generated by Vested Networks and signed by both You and a duly authorized officer of Vested Networks. Neither Party shall be bound by any handwritten or "typed on" terms in addition to or different from those in this Agreement that may appear subsequently in the other Party's form documents, purchase orders, quotations, acknowledgments, invoices, or other communications. In the event of a conflict between the terms of this Agreement and the TOS, such conflict will be resolved according to the following order of precedence: (1) this Vested Networks Plan Purchase Agreement; and: (2) the TOS. In no event shall any failure or delay by a Party to (i) assert any right, (ii) demand fulfillment or performance of any obligation, or (iii) avail itself of any remedy under this Agreement, in whole or in part, be deemed to be a waiver of any right or remedy under the Agreement on such occasion or any other occasion. All rights and remedies stated in the Agreement are cumulative and in addition to any other rights and remedies available under the Agreement, at law, or in equity. For purposes of construing this Agreement, any ambiguities shall not be construed against either Party as based upon the source of the draftsmanship. If any provision of this Agreement is determined to be invalid, unlawful, illegal, void or unenforceable, in whole or in part, then that provision or portion shall be construed in such a manner as to render the provision or portion enforceable and, to the extent possible, to reflect the Parties' original intent and the other provision of this Agreement shall remain in full force and effect. This Agreement will be deemed to have been entered into and will be construed and enforced in accordance with the laws of the State of Texas, U.S.A. as applied to contracts made and to be performed entirely within Texas, without giving effect to its principles of conflicts of law. Any disputes arising from or relating to this Agreement shall be subject to the exclusive jurisdiction and venue of the state and federal courts located in the state of Texas. You are required to complete monthly payments of the cost of service in addition to taxes and fees. Payments can be made either to a third party leasing company or online at mybill.vestednetworks.com or by check directly to Vested Networks. Checks must be received by the predetermined due date each month or a late fee may be assessed.

10. You are required to indicate Your assent and agreement to this Agreement when You sign this Agreement and return it to Vested Networks. This Agreement shall become binding upon both Parties upon Customer's execution and delivery of this Agreement to Vested Networks. This agreement and Your use of Vested Networks' Service are subject to the TOS. Vested Networks' VOIP Service shall be considered a Vested Networks "Service" as that term is used in the TOS.
