PO Request <porequest@burnetcountytexas.org>
To: Donna Fritsch <dfritsch@burnetsheriff.com>

Tue, Jun 9, 2026 at 3:24 PM

Donna

The computer is over \$500.00 and will come out of account 100-5600-5750. Alan will need to move funds to this account to cover the cost
So I will hold on to that request
I am a bundle of cheer today

Thanks
Jolene

16.53"

26.33"

4.5"

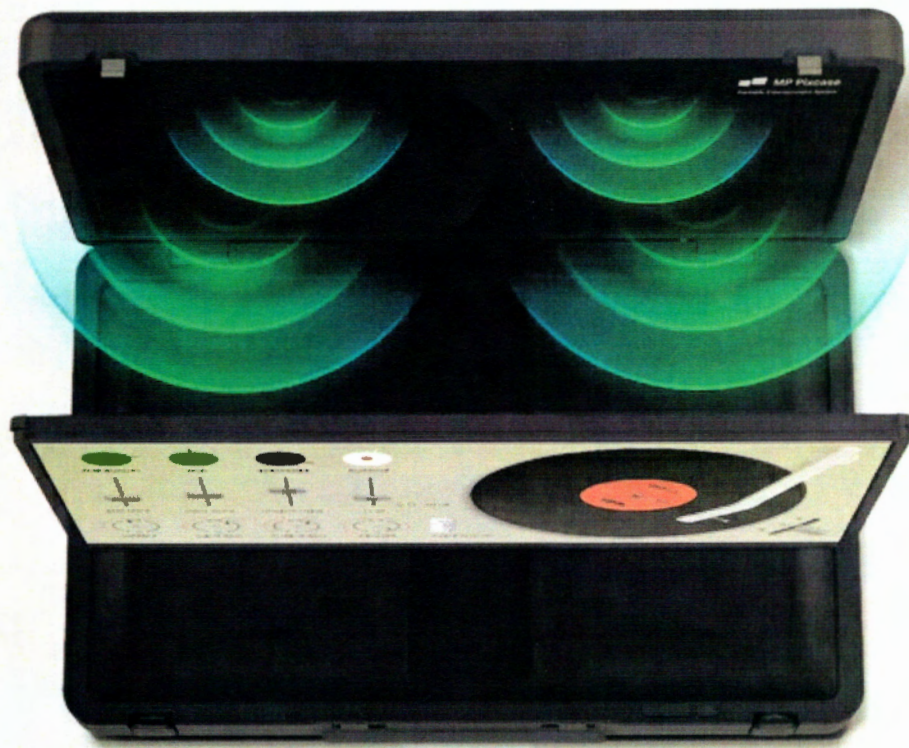

Compact Suitcase Design

Pixcase folds into a suitcase-style form for easy carry and quick setup. Bring big-screen entertainment anywhere.

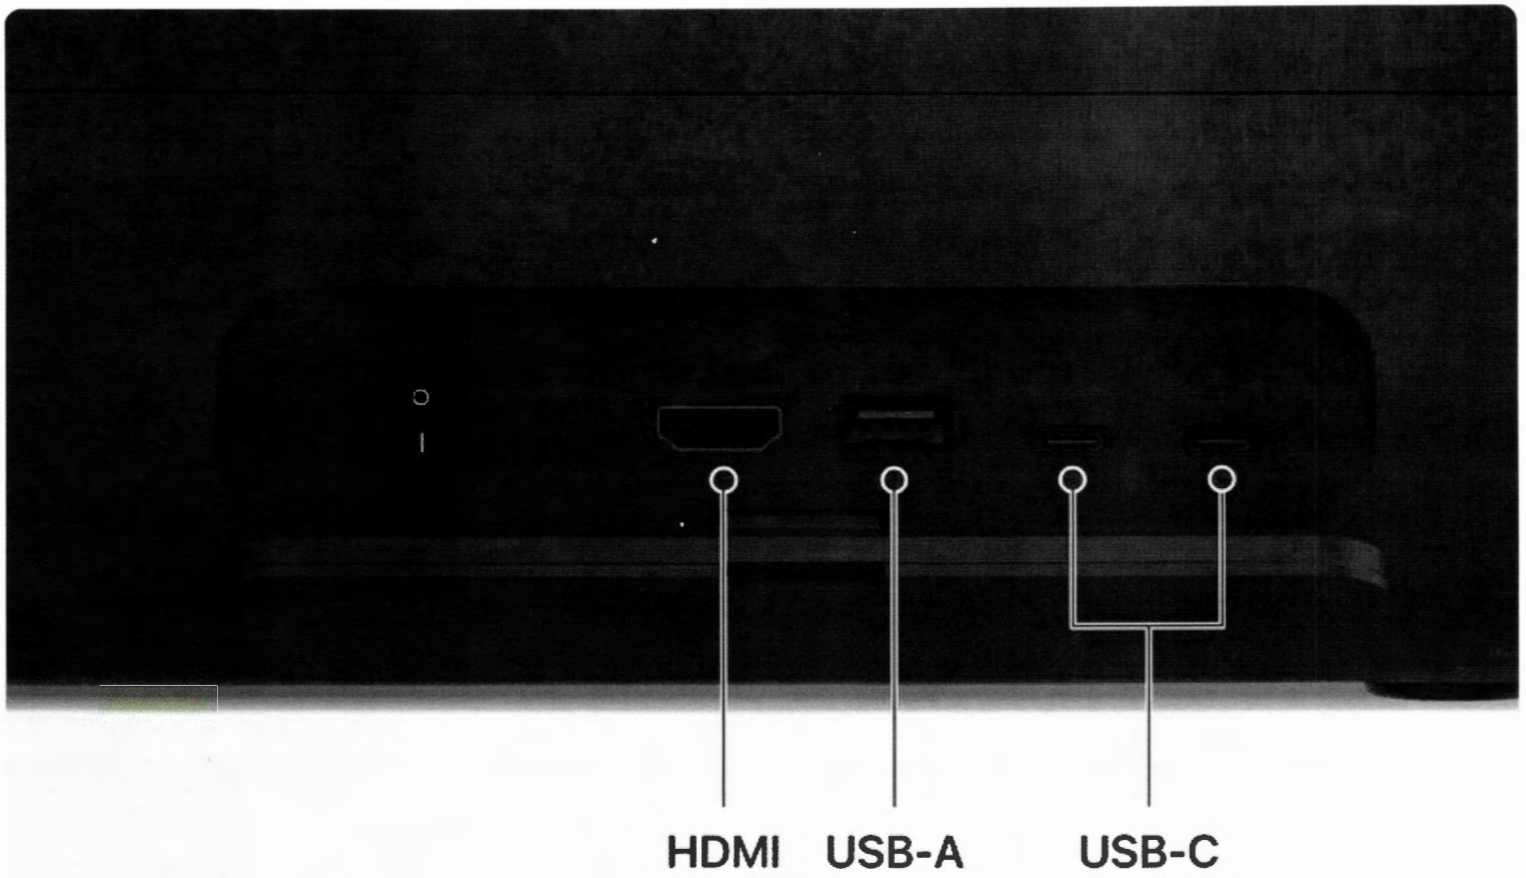

Easy Setup in Seconds

Transform Pixcase into a stunning 27-inch 1080p display wherever you are. No complicated setup, just unfold, power on, and start watching videos, gaming or working.

Crisp and Immersive Sound

The built-in 40W speaker, with two 10W tweeters and two 10W subwoofers, delivers crisp and immersive outdoor audio to make movies or music sound amazing.

HDMI

USB-A

USB-C

Rich Connectivity

Features a variety of ports including HDMI, USB Type-A port and USB Type-C port, you can easily connect it to your devices, laptops, gaming consoles, and more.

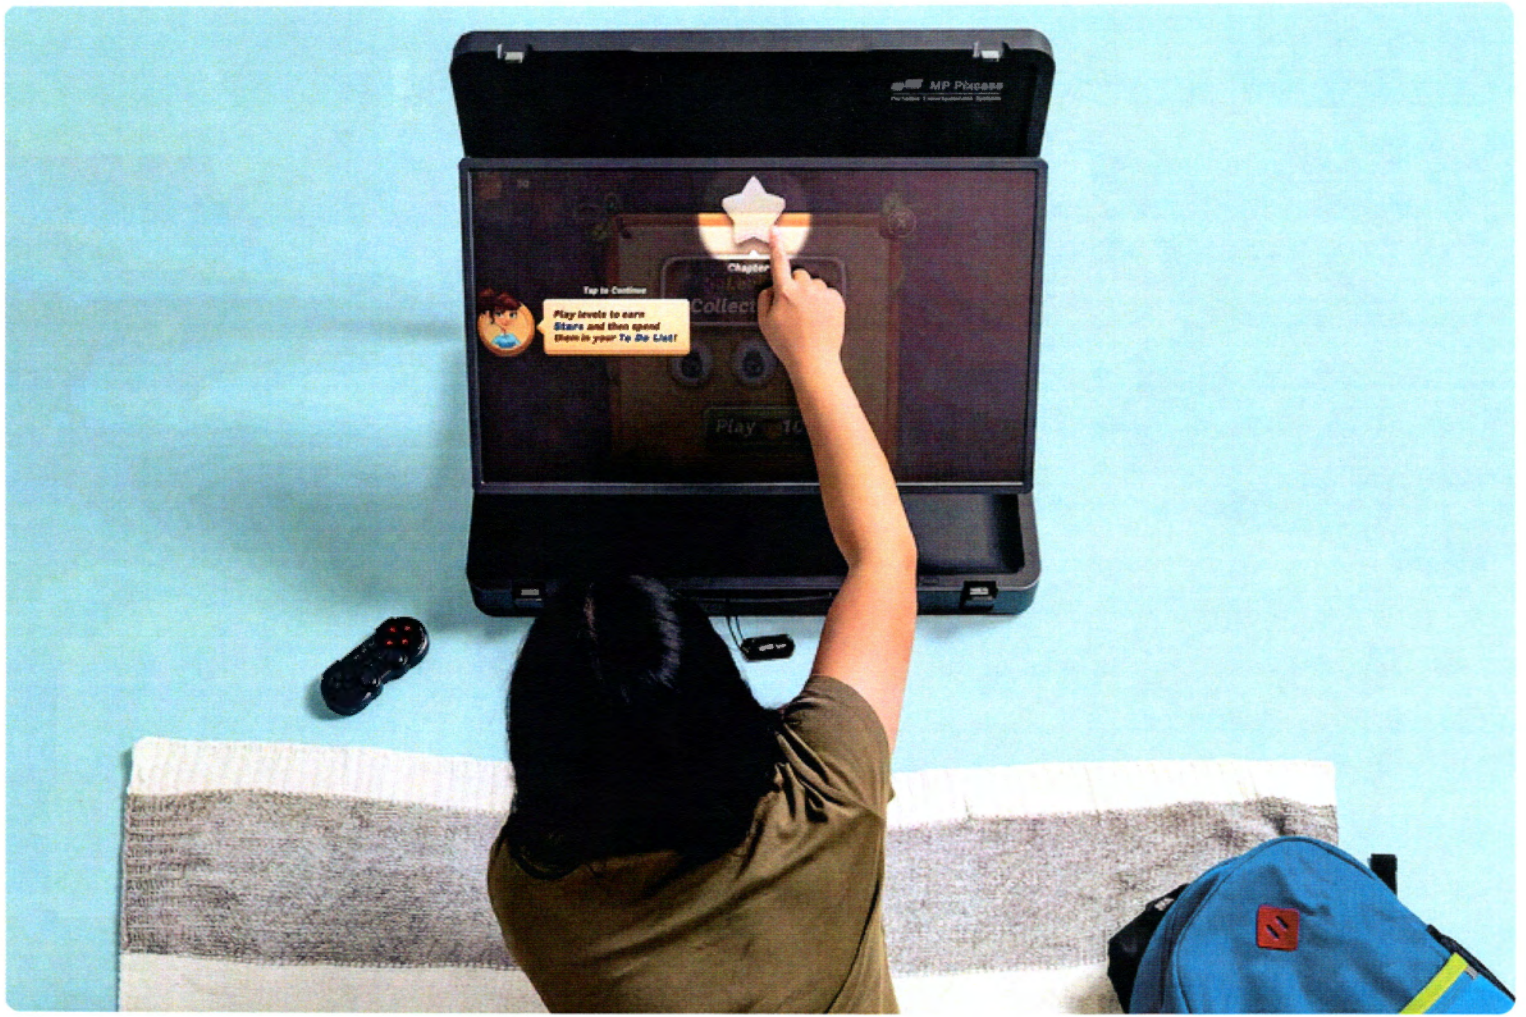

Stunning Visuals, Anytime.

Enjoy sharp, vibrant visuals and HD resolution with exceptional brightness on the 27-inch 1080p Full HD display.

Big Screen, Your Way

Use landscape mode for movies and stream live events, or rotate it 90 degrees for social media in portrait mode.

10-Point Capacitive Touch

Responsive 10-point multi-touch technology for intuitive gameplay and navigation.

Gamepad and Remote Included

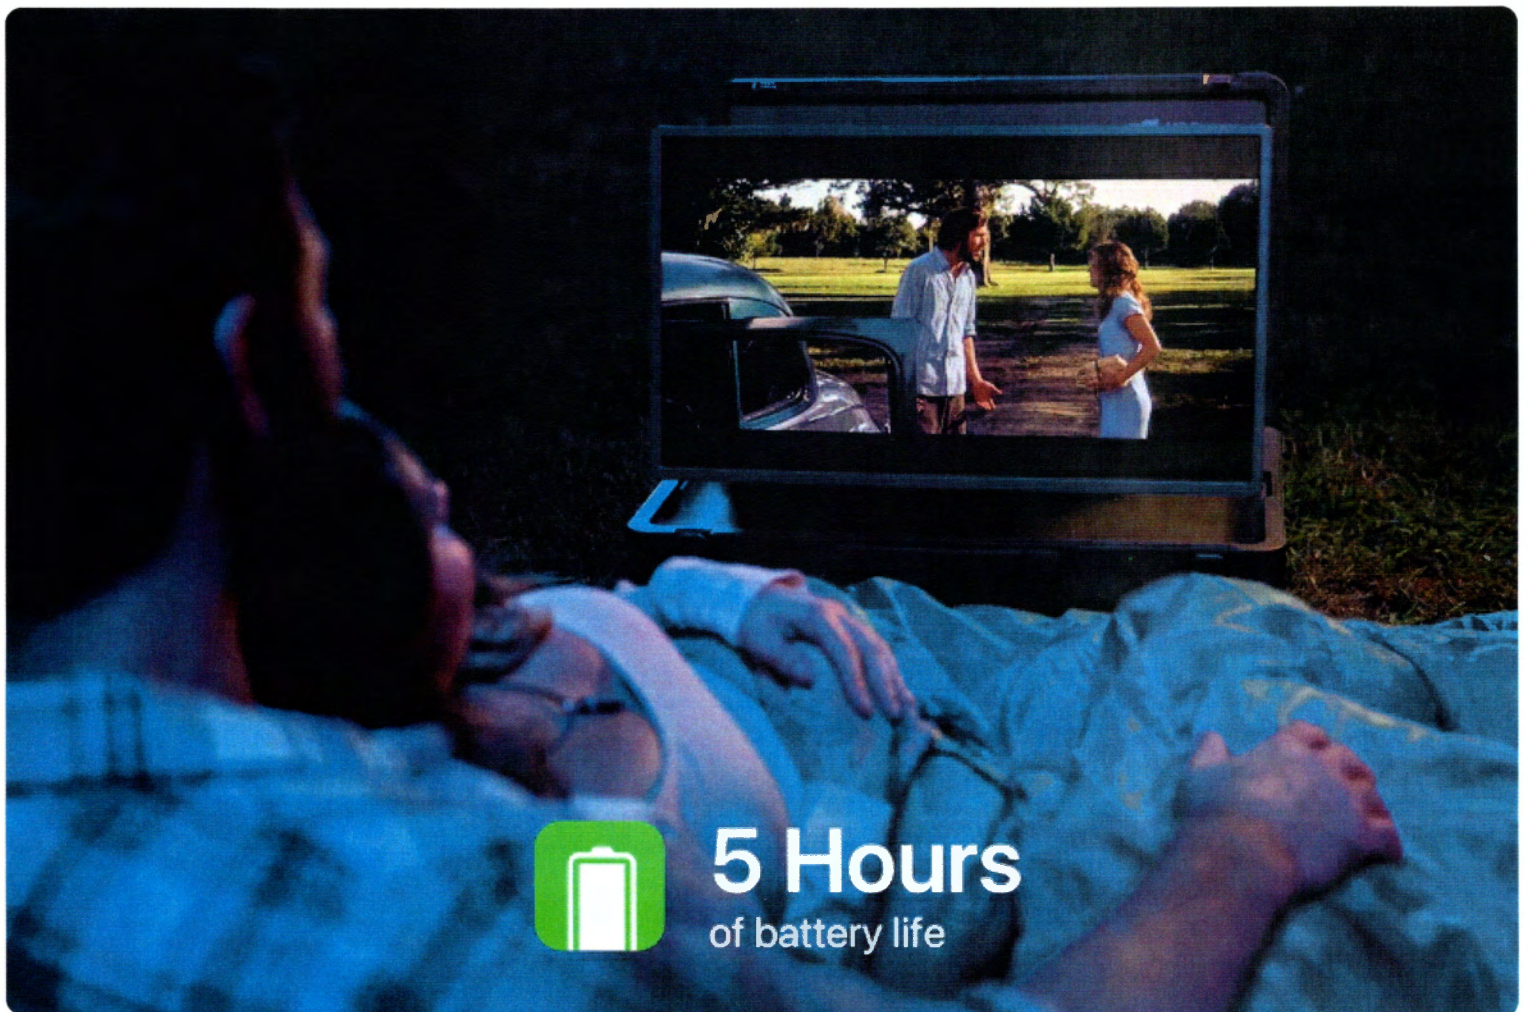

Let You Operate Pixcase Anywhere.

Each Pixcase includes a gamepad that pairs seamlessly with mobile gaming and major title games.* The Bluetooth remote pro-

vides smooth control and convenience, similar to navigating through a TV when playing streaming, movies or presentations.

Battery Life

Built to Last, Watch for Longer.

Enjoy Up to 5 Hours of Playtime Anywhere.

With up to 5 hours of battery life(built-in 14.6V / 6800mAh battery), Pixcase keeps you powered through any session, indoors or out. The battery is charged with a 3-prong wall plug.

Recharge Your Devices.

The USB-C port can be used to pass through charge your laptops, cell phones, and more.
