Course Location Selection

Select the course location you wish to register for from the offerings available below.

July 28, 2026

7/28/26 – 7/30/26
9:00 AM–5:00 PM

Kingston, NY

DESCRIPTION:

Current DroneSense customers, please join the DroneSense Professional Services Team in Kingston, NY for the DroneSense Certified Instructor Course! This intensive 3-day course will cover all aspects of the DroneSense web and mobile ecosystem. Upon course completion, graduates will be equipped to share their knowledge and expertise with other DroneSense users in their organization.

Students will be required to demonstrate knowledge by conducting teachbacks, as well as passing an end of course exam. Course graduates will be certified as DroneSense Instructors for a 2 year period, with the ability to renew certification through continued on-going training and a one day recertification class.

This course has limited seating so register early! Hosted by the New York State Police.

DETAILS:

- Cost – \$900 per student
- Dates – Tuesday July 28th through Thursday July 30th, 2026
- Hours – 9:00 AM to 5:00 PM daily
- Location – Ulster County Public Safety Training Center, 259 Ulster Landing Rd., Kingston, NY 12401
- Coffee and snacks will be provided but lunch will be on your own

IMPORTANT INFORMATION (Please read prior to registering):

- This course is open to current DroneSense users only.
- Students must possess a valid Part 107 Remote Pilot Certificate.
- Students must complete specified online DroneSense Academy coursework prior to class (more information will be provided after registration, about 4 weeks prior to the course).
- Students must bring a laptop.
- It's recommended that students bring a UAS platform loaded with the DroneSense application.
- Students must have a DroneSense login.
