Mr. Greg Harris:

Thank you for the opportunity to quote the MDF upgrade at the Sheriff's Office, located at 1601 E. Polk St. in Burnet, Texas. Due to the accelerated schedule, weekend work requirements, and our current workload, accepting this project could create unnecessary risk for both ASC and Burnet County. Although the scope is within our capabilities, we are unable to commit at this time. ASC therefore respectfully submits this **no-bid** response. We apologize for any inconvenience and appreciate your understanding.
