PUBLIC SAFETY REPORT SYSTEM

GRANT OPPORTUNITY

FUNDING NOW AVAILABLE

The Office of Court Administration is offering reimbursement funding to help eligible jurisdictions connect their jail or case management system with the Public Safety Report System (PSRS).

One Connection. Fewer Steps. Faster Workflows.

WHY INTEGRATE?

API integration can help your jurisdiction:

- Reduce duplicate data entry
- Improve accuracy and timeliness
- Streamline workflows
- Save time and resources

WHO SHOULD APPLY?

Courts, jails, pretrial services, magistrates, and other local jurisdictions in Texas that use a jail or case management system and are currently entering information manually into PSRS.
