

**Circle S Pest Control
P.O. Box 771
Burnet, Texas 78611
512-756-6645**

CIRCLE S PEST CONTROL will provide a Quarterly Pest Control Service (preventative pesticide inspections and treatments) for the control of the following insects:

Spiders, cockroaches, waterroaches, scorpions, beetles, ants, earwigs, sow bugs, fleas and wasps or hornets nesting in the interior and exterior of buildings. Rodent control will be limited to trapping and baiting only.

Quarterly Pest Control Service will consist of Indoor spraying and outdoor perimeter spraying with chemical product(s) approved for its intended use and applied in a manner consistent with regulations established by the State of Texas. Glueboards will be used when necessary and beneficial at a cost of **\$40.00** per case of 72.

Quarterly Pest Control Services will be scheduled in advance with the Maintenance Supervisor and all buildings posted with a 48 hour **Notice of Pest Control Treatment**. Services will be performed at times mutually agreed upon as to not disrupt the normal operations of any department.

Complaints or recall work that is necessary between scheduled services will be handled within 24 hours after notification at a cost of **\$50.00 per hour** (1 hour minimum). That charge will cover the labor and materials to satisfy the complaint or recall.

In addition to the above mentioned Quarterly Pest Control Service, the following services will be provided on an as needed basis and at an additional cost to the County:

(a) Outdoor bait boxes (for rodent control) to be installed and serviced on an as needed basis at a one time cost of **\$20.00** each. In the event that a rodent issue persists, the County will be referred to a rodent exclusion expert.

(b) Spraying of pecan trees, shrubs and lawns for the control of insects (web worms, fireants, fleas, etc) will be performed on an as needed basis at a cost of **\$50.00 per hour** (1 hour minimum) and **cost/plus 10%** for the chemical product(s) needed for the treatment.

(c) Where a service is requested on any additional building(s) not currently set up on the Quarterly Pest Control Service, a cost will be provided to the County and mutually agreed upon before service is performed.

(d) If an inspection reveals a termite infestation, treatment options and costs will be provided to the County and mutually agreed upon before service is performed.

(e) During cricket season, additional outdoor perimeter spraying or baiting may be necessary. The cost for that service will be **\$50.00 per hour (1 hour minimum)** and **cost/plus 10%** for the chemical product(s) needed for the treatment.
