

10/7/2017

Kirk,

I Resigned From the Burnet ESD-1 board because we sold our house in Burnet County and ARE Living in HANO County NOW and will be building in HANO County.

I enjoyed Serving with you and the other board members and gained an Appreciation for the work the ESD's do.

Sorry to be so long getting back to you, but can't find anything since the move. NO Internet yet and cell phone quit also.

Thanks Again.

Frank Sander
