

Battery, Oil, Paint, Antifreeze, Electronics collection

Site: Burnet County

Date: October 14, 2017

Event Totals: unknown

Invoice #: Cost Estimate

Item	Amount		
Forklifts (1)	\$0.00		
Mobilization/ Demobilization	\$0.00		
Site Setup	\$0.00		
Supplies			
15-55g Metal drums, reconditioned, \$40 each	\$600.00		
2-Cubic Yd Boxes, \$60 each	\$120.00		
Disposal	Recycled	Fuel Blnd	Solidified
Latex Paint Disposal, 55g drums bulked	\$217.50	\$ 140.50	\$ 90.00
Estimated Disposal Cost, 15 drums, bulk	\$3,262.50	\$2,107.50	\$1,350.00
Latex Paint Disposal, 55g drums-loosepk	\$115.00	\$ 145.50	\$ 95.00
Estimated Disposal Cost, 25 drums	\$2,875.00	\$3,637.50	\$2,375.00
Transportation			
-supplies delivery	\$400.00		
-waste pickup	\$400.00		
Total	\$800.00	\$800.00	\$800.00
Total Estimated Recycling and Disposal	\$4,662.50	\$3,507.50	\$2,750.00

Note: 1) 15-55g drums were collected at last BOPA in 2015, it is recommended additional drums be purchased as demand has most likely increased

2) It is recommended cubic yard boxes be purchased as smaller cans of paint will most likely be delivered by resident participants and towards the end of the collection, remaining paint containers will need to be boxed as the bulking operation will be terminated.

3) If bulking of latex paint is not going to be performed, additional drums may need to be purchased.

4) CYBs of latex paint have the following pricing:	Recycled	Fuel Blnd	
	\$ 510.00	\$ 489.00	\$ 436.00
The above pricing for CYBs has not been calculated into the estimated cost. If 2 CYBs were used during the collection, the additional estimated cost would be:	\$ 1,020.00	\$ 940.00	\$ 838.00

5) Stericycle is antipating collecting only the containers of paint. It is assumed volunteers will be on-site to bulk and package the waste.

Customer approval is required to perform the services outlined herein. Customer approval form is on page 2 of this estimate.
