Thank you for the discussion yesterday. After I retired all old resumes hit the trash can. Here is recap of some data on me.

John Kaszynski at 102 Bunny Run, Horseshoe Bay. 67 years old & retired.

Education: BBA and MBA (highest business graduate).

Worked 43 years for JP Morgan Chase & Co. My roles until 1987 were primarily in banks around the state acting in roles such as President. The places I served in those roles were Brownsville, El Paso, Garland and Houston. When the depression hit Texas I moved to manage our commercial work out group in Houston. From that point I moved to head up credit for many groups but primarily commercial banking in Texas, Louisiana and Oklahoma.

Served in many community and service roles outside my bank such as board of director roles in chamber of commerce's, Crime Stoppers, Hospice, Robert Morris Association, YMCA, Regional Advisory Council for SBA, numerous banks and Pine Forest Country Club. Served in many leadership roles assisting community and government tied service organizations.

I am married to Donna Kaszynski (since 1971) and have two children.
