Re: Bid 18-614-01
Burnet County

Gentlemen,

Cooper Equipment Company, Georgetown & San Antonio, is including a 20 Ft. Flat Deck Utility Trailer in their response to Burnet County's bid for a asphalt paver.

If their bid is awarded the purchase order, Cooper Equipment Company will immediately order and purchase the trailer from Utility Trailer Sales, located here in Burnet.

The primary purpose of this letter is to reassure Burnet County that if any issues should occur with the trailer, during or after the warranty period, we will be here to take care of our friends at Burnet County. Although Cooper Equipment will be delivering you the paver and trailer as a "package purchase"; Utility Trailer Sales will perform the warranty work if any repairs are needed.

Best Regards,
