To whom it may concern:

I have served on the Burnet County ESD #4 Board since 2014. I recently sold my house/ residence located at 13331 County Road 200, Bertram, Texas 78605 and I am relocating my residency to Williamson County, outside our BCESD #4s boundaries. Unfortunately I am resigning my position on BCESD #4 effective immediately.

It has been an honor to serve the community and our local fire department. This has been a very positive experience for me due to the values and character of the remaining board members, our fire chief and the entire Bertram Fire Department. Thank you very much for the opportunity, if any further questions arise I can be reached by Phone or email anytime.

Sincerely,

Michael Lewis
