BILL OF SALE AND ASSIGNMENT AND ASSUMPTION AGREEMENT

This BILL OF SALE AND ASSIGNMENT AND ASSUMPTION AGREEMENT (this "**Instrument**") is made and delivered as of September 15, 2017, by the Lower Colorado River Authority, a political subdivision of the State of Texas ("**Seller**"), in favor of Vertical Bridge Towers II, LLC, a Delaware limited liability company ("**Buyer**"). Seller and Buyer are sometimes referred to in this Instrument together as the "**Parties**" or individually as a "**Party**". Unless the context otherwise requires, initially capitalized terms used in this Instrument and not otherwise defined shall have the meanings given to them in the APA (as defined below).

BACKGROUND

- A. The Parties and Vertical Bridge Holdco, LLC, a Delaware limited liability company, entered into that certain Asset Purchase Agreement, dated as of June 21, 2017 (as amended, modified and supplemented from time to time, the "**APA**").
- B. In connection with the initial Closing, this Instrument is being executed and delivered in accordance with Section 9.2(a) and Section 9.3(b) of the APA.

AGREEMENT

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, hereby agree as follows:

- 1. Transfer of Assets Transactions. Effective the date first written above, Seller hereby sells, conveys, assigns, transfers and delivers to Buyer, and Buyer hereby purchases, acquires, accepts and assumes from Seller, all of Seller's right, title and interest in, to and under the Assets relating to the sites identified on Annex A hereto (collectively, the "**Assignable Sites**"). For the avoidance of doubt and without limiting the definition of Excluded Assets, the Assets with respect to the Assignable Sites do not include: (i) the huts, shelters, and other assets identified on Annex B hereto or any leases, subleases, collocation agreements, or other similar agreements with respect to space in such huts and shelters, all of which are Excluded Assets; and (ii) any Lease Tower Structures.
- 2. Assumption of Liabilities. Effective the date first written above, Seller hereby delegates to Buyer, and Buyer hereby assumes and undertakes to perform, all of the Assumed Liabilities with respect to the Assets relating to the Assignable Sites.
- 3. Assignments; Transfers of Certain Assets and Liabilities.
 - a. Notwithstanding anything in this Instrument, the APA, or any Collateral Document to the contrary (but without limiting any of the Parties' duties and obligations arising under this Instrument), this Instrument, the APA, and each Collateral Document shall not constitute an assignment, sublease, transfer or other conveyance of any claim, contract, license, lease, sublease or commitment if an attempted assignment, sublease, transfer or other conveyance thereof, without the authorization or consent of a third-party thereto, would constitute a breach or violation thereof, but only to the extent such authorization or consent has not been obtained.
 - b. To the extent that, after the consummation of the transactions contemplated by this Instrument, Buyer has acquired or assumed in connection with the

transactions contemplated by this Instrument any Excluded Assets or Retained Liabilities, the Parties shall take all actions necessary to effectuate the assignment, transfer, conveyance, delivery or assumption, as the case may be, of any such Excluded Assets and Retained Liabilities back to Seller.

4. True Sale or Absolute Conveyance; Solvency. The conveyances hereunder are intended by the Parties to be "true sales" or absolute conveyances at Law. Each Party agrees to record each conveyance as a sale or purchase, dividend or capital distribution or capital contribution, as the case may be, on its books and records, and reflect each conveyance in its financial statements as a sale or purchase, dividend or capital distribution or capital contribution, as the case may be, unless otherwise required by applicable accounting principles. Each Party represents and warrants that it is solvent at the time of each conveyance hereunder, and that as a result of such conveyance, such Party will not be left insolvent.
5. Entire Agreement. This Instrument shall be subject to and governed by the terms and conditions of the APA (including, without limitation, Sections 2.3, 7.7, and 12.10 of the APA). Subject to Section 14 hereof, this Instrument, the APA, and the Collateral Documents constitute the entire agreement among the Parties with respect to the subject matter of this Instrument and supersede all prior agreements, both written and oral, among the Parties with respect to the subject matter of this Instrument. In the event of any conflict with or inconsistency between the terms hereof and those contained in the APA, the terms and provisions of the APA shall control and supersede such conflicting or inconsistent terms set forth herein.
6. Counterparts. This Instrument may be executed by original, facsimile, electronic signatures (complying with the U.S. Federal E-SIGN Act of 2000, 15 U.S.C. 96), or PDF and in any number of counterparts which will be considered one instrument. Counterparts, signed facsimile, electronic, or PDF copies of this Instrument will legally bind the Parties to the same extent as original documents.
7. Governing Law; Submission to Jurisdiction; Selection of Forum; Waiver of Jury Trial. Section 12.9 of the APA is incorporated by reference herein and made a part hereof with respect to the interpretation and enforcement of this Instrument.
8. Successors and Assigns. This Instrument shall inure to the benefit of and be binding upon the Parties and their respective successors and permitted assigns.
9. Amendment. This Instrument may not be amended or modified except by a written agreement signed by authorized representatives of all of the Parties.
10. Specific Performance. Each Party recognizes and agrees that, in the event of any failure or refusal by any Party to perform its obligations required by this Instrument, remedies at Law would be inadequate, and that in addition to such other remedies as may be available to it at Law, in equity or pursuant to this Instrument, each Party may seek injunctive relief and may enforce its rights under, and the terms and provisions of, this Instrument by an action for specific performance to the extent permitted by applicable Law. Each Party hereby waives any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award of injunctive, mandatory or other equitable relief. Subject to Section 7, nothing contained in this Instrument shall be construed as prohibiting any Party from pursuing any other remedies

available to it pursuant to the provisions of this Instrument or applicable Law for such breach or threatened breach, including the recovery of damages.

11. Collateral Document. The Parties acknowledge and agree that: (i) this Instrument constitutes a Collateral Document for purposes of the applicable APA; and (ii) all references to Collateral Documents in this Instrument refer to the such term as defined in the applicable APA.
12. Severability. If any term or provision of this Instrument is invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other conditions and provisions of this Instrument shall nonetheless remain in full force and effect so long as the economic and legal substance of the transactions contemplated by this Instrument is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Instrument so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.
13. No Sovereign Immunity. Buyer and Seller agree and stipulate that this Instrument constitutes and states the essential terms of the agreement for providing goods or services that is properly executed on behalf of Seller subject to Subchapter I., Chapter 271, Texas Local Government Code, and therefore, Seller waives governmental immunity for the purpose of enforcement of this Instrument. Seller further stipulates that Seller is authorized by statute or the constitution to enter into this Instrument.
14. Effect on APA. Except as expressly provided in this Instrument, no provision of this Instrument shall in any way modify the express provisions set forth in the APA. To the extent any provision of this Instrument is inconsistent with the APA, the provisions of the APA shall control. Without limiting the generality of the foregoing, nothing in this Instrument is intended to alter or modify any rights or remedies of the Parties to indemnification under the APA or the other Collateral Documents.
