Dear Customer:

KONE is proud to be your elevator/escalator service provider. Continuing our relationship and providing you with high quality KONE Service is our priority.

Since the start of our contract, KONE has worked hard to bring you reasonable prices. In reviewing the history of your account, the cost of providing services in connection with your contract has significantly increased. Such costs include, but are not limited to, the base mechanic rate change, health & welfare, other employment benefit costs, applicable State and Federal Taxes and material costs. In consideration of these circumstances, KONE will be adjusting the price of your maintenance contract as stated herein unless we hear from you.

Effective May 1, 2018, KONE will be adjusting your price by +3.28%.

Thank you for your continued business. Should you have any questions, please do not hesitate to contact your Account Representative at 512-443-0967.

Sincerely,

KONE Elevators and Escalators
