*Thanks
for all
you do!*

Dear Judge Oakley,

On behalf of the Texas Association of Regional Councils and the Texas Citizen Corps Council, I am pleased to inform you that the Burnet County CERT program has been selected as the permanent recipient of the previously awarded Texas Citizen Corps training trailer. The Texas Citizen Corps Council recognized the Burnet County CERT program's efforts to serve your community and enhance preparedness through your Citizen Corps programs.

As you know, the trailer that was previously awarded to the Burnet County CERT program was purchased in compliance with the guidance from state and federal agencies, utilizing 2008 Homeland Security funds and must continue to be used in accordance with the applicable grant guidance. Guidance can be found using FEMA resources, including the website. By providing your signature below, the Burnet County CERT program is agreeing to accept complete ownership and responsibility of the trailer and acknowledges that it will continue to be used in compliance with the applicable grant guidance, including the provision of continuing liability coverage of the trailer. Once signed, please return the original signed copy to our office using the addressed, pre-stamped envelope provided.

Congratulations again on your selection. Please direct any questions to Uryan Nelson, Texas Citizen Corps Manager at unelson@txregionalcouncil.org or (512) 478-4715.

Sincerely,

Ginny Lewis
