2007-Present: Relocated to Burnet County in 2007 to pursue ranching operations. Currently manage over 700 acres (3 parcels) in Central Texas with Angus cattle and Boer goat operations. Additionally, manage multiple real estate investments.

Agricultural Experience

- As a youth, worked summers on dairy & vegetable farms.
- Growing up in an agricultural community resulted in an appreciation for the difficult vocation of agriculture management.
- For the past 11 years, I have lived my lifelong goal of “retiring” to a working ranch.

Reasons to Serve as Region K Member

- Appreciation for and desire to serve the agricultural industry in Central Texas
- Desire to serve by managing critical water resources in Region K
- Background in geology with interest in surface and groundwater hydrology
- Appreciation of Ranching as a vital part of Region K industry
 - Water resources are critical to ranching operations
 - Ranchers play a key role as stewards of land, water, wildlife and other resources

Volunteer & Charitable Activities

- Helping Center of Marble Falls (Board President & Volunteer)
- Boys & Girls Club (Volunteer)
- St. John the Evangelist Catholic Church (Confirmation Teacher & Head of Finance Council)
- Philanthropic support of local charities including Burnet County Livestock Show
