Greg

The POA does not need to sign off or approve the re-plats.

So please go ahead with your process for your clients.

Previous boards had these presented and voted on but we don't need to do that.

If they would provide the board with a courtesy copy that would be great.

Thanks

Hello Julie,

I represent three members of your Association in their effort to replat their respective lots. I understand that you are aware of the requests made by the Boatman's, Coen's and Conner's. All three re-plats have been approved by the Burnet County Commissioner's court pending your signature.

I would like to schedule a time to deliver the plats for signatures or get them in the mail to you if preferred.

I have attached pdf files for each of the plats in question.

Respectfully,

Greg Mayes
