PLEASE SHARE THIS AND SIGN THIS PETITION TO STOP THIS FROM
HAPPENING AT THIS LOCATION FOR THE SAFETY OF MANY IN THE AREA.

- Janet Kuenzer

Sep 19, 2018

Very bad timing and horrible location.

- Kellie Strain

Sep 16, 2018

This a terrible location for a music festival! Seriously? The opening days of deer season? The owner obviously is not familiar with the area if he thinks there's anything logical about this time or place for such an event.

- Eric Holmes

Sep 15, 2018

Way too much traffic for this narrow road

- Tammy Copsetta

Sep 15, 2018

this is less than a mile from my house and we do not need the traffic up and down this small wind erode in the first place that people already travel to fast on

- Anonymous

Sep 15, 2018

Traffic congestion, overcrowding, safety issues

- Sue

Sep 13, 2018

Over many years I've seen a sleepy little road (Shady Grove) turn into a (Killer Road).
Yes! A killer of Humans, Livestock, and Wildlife. The increase in traffic is alarming.
Imagine, daily traffic, plus opening Deer-Turkey weekend with untold number of
Hunters, then add over 6,000 music festival goers. NO WAY.....

- Ron

Sep 13, 2018

All that's needed is to look at the history of these type of events. Many depend on the income derived from Deer Hunters each year, this will hamper an age old tradition, and I hate to think of the danger to the participants of the festival as well.

- **Shirley Perkins**

Sep 13, 2018

I oppose this location for the music event planned in Burnet County.

- **Brooke Arldt**

Sep 13, 2018

This is not safe for our kids and our community.

- **Christopher Arldt**

Sep 13, 2018

NO! Find another place to have this festival. It is not safe for the community and the town. There is other places to hold this venue, but not in our area.

- **Josh Brown**

Sep 13, 2018

We are a small tight knit community and don't need this.

- **Maggie Champion**

Sep 13, 2018

Not a good idea for this small peaceful area. The road to the festival is a small unstriped 2 lane road .Not enough room to change a tire or etc. Not a place for thousands of people!!

- **Debbie Kennedy**

Sep 13, 2018

Not against the festival, but I am definitely against the location! It's practically in my backyard! No thank you! Please move it somewhere else.

- **Ron Champion**

Sep 13, 2018

I vote NO! Move the event to the Circuit of America, where there is room for a crowd and facilities. Fire, trash, EMS, police, traffic, access from Austin.

- **Mary Barton**

Sep 12, 2018

Several land owners in the area have leased out for deer season. This type of event will caused major problems for hunters. Co Rd 200 has several younger families with

small children living close to the road. Safety is a major concern. The roadway is already heavily travelled at higher than the posted speed. Please do not allow these people to destroy the quiet enjoyment of our own properties.

- **Elizabeth Byerly**

Sep 12, 2018

Please don't let this happen here.the trash is a major problem! And it's hunting season probably not a good call. Js

- **Rachel Biagini**

Please do not allow

- **Pam Major**

No to festival!! We're a neighborhood and not out in the country!!

- **Tequila Nunley**

Sep 11, 2018

Yeah let's not have a music fest in the heart of the hill country when it's hunting season. Who thought that was a good idea? Who plans this thing?
