Hello Mr. Woodrum,

I understand that you are the President of the Council Creek Village POA. We have been hired to complete a replat as agreed upon by Paul Abitante and Janice Wilcox. The replat will take a portion of Lot 46 and combine it with lots 47 & 48 to create one lot (Lot 47A).

The Court asked that we obtain a letter/email or something in writing from the POA indicating that the POA is aware of and does not object to said replat.
