RE: County Road 345 in Burnet County, Texas

Dear Commissioner Wall:

Lower Colorado River Authority (LCRA) is seeking to assume responsibility for 1.1 miles of County Road 345 where it crosses LCRA land in the Turkey Bend Recreation Area in Marble Falls, Texas. Pursuant to this, LCRA respectfully requests that the County abandon and transfer any interest it may have in this portion of County Road 345 to LCRA. I have enclosed a map that identifies the west entrance to the park and the portion of the county road in question.

LCRA will be better able to manage park access and activities and protect public safety by taking over maintenance and other responsibilities for this limited stretch of County Road 345.

We appreciate your consideration of this request. I am available to facilitate this matter. If you need more details or have any questions, please call me at 800-776-5272, ext. 4409.

Sincerely,

Ben Hayes, SR/WA
