Re: Park Road Fire

Ms. Gillespie,

During the Park Road fire that occurred beginning July 29, 2018, Burnet County had to place several loads of burned brush on your property located at 6750 CR 116 to keep CR 116 open for emergency vehicles and traffic. Some of this material was still smoldering, which prohibited the county from hauling it off, and was placed in a burned area just off CR 116 on your property. As soon as conditions allow, the county will remove the material that was placed on your property. Should you have any questions please contact me at 512-756-5437.

Sincerely,
