Here are some that recently sold that were outfitted and some that are available from one of the 2 bus sales companies on buy board that will do a prison bus... their (creative bus) prices are not outfitted. Just as a guideline...this is the last bus California has. lasalle corrections bought 5 of the 6 they had from California. Just let me know what I can do to expedite if I can.. I tried to keep it under the \$50k bid out rule.
