

Spicewood Community Library

November 9, 2018

The Honorable Judge James Oakley
Burnet County Commissioners' Court
220 S. Pierce
Burnet TX, 78611

Dear Judge Oakley,

Thank you for attending the award of the LCRA's Community Development Partnership Program grant ceremony. We were very grateful to both the LCRA and the DeLeon Foundation for this generous grant for the outdoor LED sign panels. They will be a great help in keeping this end of Burnet County aware of library programs, new book arrivals, community events, weather warnings and more.

I'm glad we were able to have time to talk a bit about the growing library needs. Since the county funded the part-time employee three years ago, great strides have been made in providing a more consistent and professional set of library services to the Spicewood area. The library was accredited by the Texas State Library and Archives Commission and it has offered an increasing number of adult and children's programs to the community.

The Friends group currently bears all of the monthly operating expenses for the library. It would be helpful for the library and county residents in this area if the county could assist a bit more. We would appreciate it if the court would consider assuming responsibility for the library's electricity. Please let us know how the library might go about applying for this assistance. Jim Lamar (jim@jimlamar.com/512-671-0514), board member, would be happy to work with Mr. Arredondo to make the necessary modifications to the Contract of Service Agreement between the county and the Friends group.

Sincerely,

Jane Gannaway
