Re: 7 Creeks Ranch Phases 5-6

Dear Herb:

William H Engineering LLC performed a site visit on July 25, 2019 to observe the referenced construction site to determine based on visual inspection if general compliance with permit conditions and the development requirements of Burnet County have been achieved.

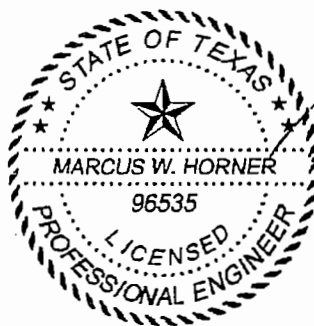

During the abovementioned visual inspection, the below deviations were noted:

- Street and road signs need to be installed

The infrastructure appears to have been constructed in general compliance with the plans, specifications, and county requirements. This letter is being sent to provide concurrence with Burnet County that the infrastructure generally complies with the plans and specifications presented.

If you have any questions or comments, or require additional information, please feel free to call me at (512) 553-1555.

Sincerely,

Marcus W. Horner, P.E.
