RE: SPONSORSHIP APPLICATION APPROVAL

The City of Granite Shoals has submitted an application for Tourism Sponsorship Funds for their Granite Fest! April 26 - 27, 2019, under the new guidelines for Tourism Event Sponsorship.

Their application request meets all the requirements for sponsorship. It is a public, two day event, with a projected attendance of 4,000 people. The advertising will be in all acceptable sources that will include the Burnet County Tourism name, logo, and link being advertised on radio, television, newspaper, and on their website for one year, additionally the logo will be on a banner on the stage of their event. They have also stated that advertising will be at least 50 miles outside Burnet County.

The Tourism Committee has agreed that an acceptable level of participation would be \$1,000, and recommends that level to the Commissioners Court for approval.

APPROVED:

A handwritten signature in black ink, appearing to read "J. Oakley", is written over a horizontal line.
