Dear BURNET COUNTY:

I am requesting a waiver and late payment penalties and interest on my house in Kingsland which is referenced above. I am new to Burnet County having bought a house in the past year and a half. I had requested all my mail regarding this home be sent to my primary residence in Houston and my first tax bill for Burnet County was never delivered to me.

Thinking it was unusual that I had not received my first tax bill I reached out the Burnet County Appraisal District asking for a statement and that was when I was told it was due for payment on January 31st. I find it quite unfair that because I am 4 days past the due date I am incurring severe penalties and interest.

Please waive these penalties and interest and I will pay the property tax bill immediately. I can certainly have this remedied within the 21 day of delinquency after being notified by BCAD.

Sincerely,

VAN MARTIN
