We are writing this note to ask for a waiver of late payment penalties and interest.

On December 22, Kathleen LaSeur wrote a check 3055 to pay amount due for our taxes. She mailed the check at the Horseshoe Bay post office. She did not send it with any special postage so we do not have a record of this mailing. During this time we were moving our money into a different account, never balanced our account and assumed all was paid. Last week we received a note from a company telling us they could help us pay our property taxes. Immediately we checked our account and found the check had not cleared! Panic!

Early Monday morning Kathleen was waiting at the tax office to pay our bill. We always pay our taxes on time and we do not know what has happened to our payment that was sent in December. You can check our record in Montgomery County, Texas. We lived at 3 China Rose Court The Woodlands, TX 77381. Our record is perfect.

Please excuse us this one time.

Kathleen and Stearns LaSeur
