Gentlemen,

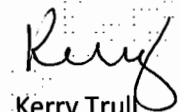

We received a substantial donation from Capital Area Housing Finance Corporation that you were instrumental in obtaining for us and we want to say THANK YOU! The donation of \$10,000.00 on June 8, 2020 ensures we move forward with our mission to recruit and train additional volunteers in our community.

These past several months have been particularly difficult for the children entering foster care as the pressure of maintaining a household is too great for some parents to cope with. We have seen a significant spike in cases and this contribution could not have arrived at a better time as we adjust recruiting, training and visitations to be fully virtual and online. We are adjusting to the situation and moving forward to help abused and neglected children.

For many children, a CASA volunteer is the only constant during a frightening, uncertain time. Few volunteer roles have such a critical and immediate impact on the life of a child as that of a CASA volunteer. As you can imagine, each year the number of children in need of a CASA grows and your support in keeping the needs of abused and neglected children in this community properly addressed is greatly appreciated.

Warm regards,

Conrad Armola
