Dear Judge Oakley and Burnet County Commissioners:

Thank you so much for selecting Burnet County VETRIDE to receive \$10,000 as part of the Capital Area Housing Finance Corporation donation to Burnet County. Your continued support of the VETRIDE program means alot, and it is so appreciated.

We are now in our eleventh (11th) year of providing transportation for our veterans and their spouses, to local as well as distant appointments, procedures and surgeries. It is an honor for us to be of service to our veterans in this way. VETRIDE remains open for drive requests during this challenging year of Covid 19 and throughout each year. It is the three wheelchair accessible vans and home pick up that have become more and more needed for our veterans.

Thank you again from all of us with VETRIDE and on behalf of each veteran, spouse and widow that we serve. They say thank you to us many times and we pass this thank you to you who keep VETRIDE traveling the roads for our veterans and their families.

Sincerely,

Sophie
