Hope is the beacon that lights the path to courage and dreams.

Dear Judge Oakley and Members of the County Commissioners Court,

The Board of Directors, Staff, and Clients of the Highland Lakes Family Crisis Center, wish to thank you for your generous spirit of giving and the many kindnesses you have bestowed upon our agency and those we serve in our community.

Financial gifts help us fulfill our mission *to reduce, prevent and end domestic and sexual violence by offering emergency services, comprehensive interventions and education programs in our schools and communities.* With the **Capitol Area Housing Finance Corporation donation of \$10,000.00** you are helping to provide a **beacon of hope** that will help guide the way toward fresh beginnings, new dreams and brighter tomorrows.

Your support is valued and appreciated and it is because of your generosity that we can offer 365 days of shelter, advocacy and support. We look forward to your continued commitment and partnership throughout the 2020 year.

Sincerely,

Conny Steele, MA
Program Director
