Dear Joe Don,

I have enjoyed serving Burnet County as a Commissioner of ESD 1. I am however, not going to be able to continue due to extensive travel. As of now, I will be out of state for five months in 2020 alone. These will not be contiguous but absent none the less.

Please accept this my letter of resignation effective immediately and move forward to replace my position. Do not hesitate to call on me for any tasks of a temporary nature. I will be happy to help if I am available.

Thanks,

Don Dudley
