MARBLE FALLS AREA EMS CELEBRATES 20 YEARS OF DEDICATION AND SERVICE TO HORSESHOE BAY AND SOUTHEASTERN LLANO COUNTY

In 2001, four years before Horseshoe Bay became an incorporated city, Marble Falls Area EMS contracted with Horseshoe Bay MUD as the EMS provider for the area that would eventually become the City of Horseshoe Bay in 2005. In 2002, the citizens of Horseshoe Bay, Burnet County and Llano County formed Burnet County ESD 1 and Llano County ESD 1 to secure a constant funding stream for Emergency Medical Services for several thousand citizens in the City of Horseshoe Bay, Oak Ridge, Sandy Harbor, Deer Haven and the unincorporated areas surrounding those communities. Marble Falls Area EMS, a 501c3 non-profit corporation that had been serving the citizens of southern Burnet County since 1976 was fortunate enough to be selected as the service provider. In the early days, the area generated around 20-25 calls per month. Fast forward twenty years later, that number has almost tripled. MFAEMS works closely with Horseshoe Bay Fire Rescue, Horseshoe Bay Police Department, Sandy Harbor VFD and Air Evac Lifeteam to provide outstanding service to the citizens and thousands of annual visitors to the Horseshoe Bay resort and surrounding area.

Cheers to twenty years !!!!

~Johnny
