Re: Biennial Appointment to the CARTS Board of Directors

Dear Judge Oakley,

The CARTS Board of Directors includes a member of the County Commissioners Court from the nine local jurisdictions in our District: Bastrop, Blanco, Burnet, Caldwell, Hays, Fayette, Lee, Travis, and Williamson Counties. CARTS is a community-based regional organization that relies on the grassroots perspective that county officials provide in its governance.

The CARTS District would like to request the Burnet County Commissioner's Court appoint a member to the CARTS Board of Directors for a two-year term beginning January 1, 2022.

We value the participation of Burnet County in our governance and appreciate the service that Commissioner Wall has provided to CARTS. We would welcome his continued participation should the Court so decide.

Thank you for your assistance. If you have any questions, please contact me at 512-505-5678 or at Dave@RideCARTS.com.

Sincerely,

David L. Marsh
General Manager

Governed by a Board made up of a member from each of the nine County Commissioners Courts CARTS provides regional perspective and planning to operate the wide variety of community-based passenger transportation services in its District. As the region has changed, so has the CARTS District and its role in integrating its transit services and planning with its metropolitan transit counterpart, Capital Metro, including opening a jointly-managed Mobility Management Office, and through interlocal agreement providing blended transit services region-wide to establish a seamless interface between the two statutory transit jurisdictions.

CARTS delivers transportation tailored specifically for each of the communities it serves and provides predictable connections between these communities to the national intercity bus network, to Capital Metro services and to the metropolitan center of the region. The service frequency in or to the various locales vary

CARTS buses operate from nine transit stations located strategically throughout the CARTS District, which are also Greyhound stations. These stations are located in Austin, Bastrop, Elgin, Round Rock, Georgetown, Taylor, San Marcos, Smithville, and Marble Falls.

Established in 1978, CARTS is the longest serving public transit agency in the region, and has a reputation for innovation, a practical approach to problem-solving and promoting partnerships to achieve its objectives of furthering regional mobility.

OUR BOARD OF DIRECTORS

CARTS is governed by a nine-member Board of Directors, with each member appointed by one of the nine Commissioners Courts in the CARTS District to represent their respective county. This governance structure assures a regional perspective responsive to local needs. The CARTS Board holds its meetings at the CARTS Headquarters located at 5300 Tucker Hill Lane, Cedar Creek TX 78612.
