

Priorities:

1. Capture the parts of our unique community's culture that make us special and articulate them in a way that inspires others to come into alignment as they discover this great area.
2. We ask that you will send a representative(s) who can be an ambassador for this group to a meeting to collaborate, plan, and begin development of a movement centered on Trust. The planning meeting will be on January 12, 2021 from 9AM to Noon.
3. Join our mailing list to keep updated on this and other projects. A landing page can be found by visiting www.HLTrust.love and there is a section to add your information.

RESOLUTION 2021-R-XXX

A RESOLUTION AFFIRMING A COMMUNITY-WIDE TRUST INITIATIVE

WHEREAS, ____ (Entity) _____ supports the important work of the Highland Lakes Crisis Network (HLCN); and,

WHEREAS, we collectively desire to create a positive impact on the lives and futures of people across the Highland Lakes area; and,

WHEREAS, a group of community leaders has begun convening to explore the creation of a community-wide vision built on trust; and,

WHEREAS, we believe a movement centered around knowing one another, listening to one another, and caring for one another creates a strong foundation for a community committed to trusting one another; and,

WHEREAS, the difficult combination of events occurring on the national and international stages, coupled with local challenges arising from these events as well as the more general problems associated with growth and change impacting our beautiful area, has led to a breakdown of personal interaction and an increase in instances of mistrust; and,

WHEREAS, this movement seeks to restore and reestablish trust as a core community principle to enrich the lives and interactions of current and future residents;

THEREFORE, BE IT RESOLVED, that ____ (Entity) _____ requests that its citizens and stakeholders affirm the community trust initiative.

Resolution adopted by the ____ (Entity) _____ on this XX day of XXXXXXXXX, 2021.

ATTEST:

WHO IS THE HIGHLAND LAKES CRISIS NETWORK?

The Highland Lakes Crisis Network is a network of local churches meeting the physical, emotional and spiritual needs of our neighbors during times of crisis and disaster.

- Closed 685 flood cases in 2018.
- Fed 165,000 meals during 2020.
- Responded to winter storm crisis cases.
- Fed homebound children during the summer of 2021.
- Assisting homeless families with children.
- Developing a Sustainable Foster Care System.
- Organized community wide worship night.

Children in Crisis... right here in the Highland Lakes.
Foster Care everywhere is fragmented, unorganized,
unsustainable . Until now. Will you help?
